### **Cossington Security Marking Afternoon**

Your police team will be security marking items from your homes between 2pm and 5pm on Saturday the 9<sup>th</sup> of May at Cossington village hall.

Please bring along tools and electrical equipment to be marked and receive crime prevention advice from local officers.

For any queries, please contact PCSO Rachel Aston on 07920878235.

### **Rural Watch: Property Security Marking Initiative**

Your neighbourhood policing team have set up a Rural Watch scheme in this area to enhance security to rural properties and the equipment held on these properties. Rural watch does not involve meetings or fees, simply security marking your equipment. This will involve members of your police team coming to your farm, home or similar rural property, taking a digital photograph of each individual piece of equipment (trailers, quad bikes, tools, tack etc), noting down the details of equipment (serial number, make, model, colour etc), and then marking the equipment with your post code. We will then leave the disc and information with you for safe keeping, taking a copy of the information for ourselves to enter into the National Property Register. Additionally you will be left with a "Don't Bother, Property Security Marked" poster to allow unwanted visitors to get the message. If you are interested, please contact your local PCSO Rachel Aston who will arrange an appointment to meet with you and mark your equipment.
